

## **Voluntary Elimination of Single Use Plastic Straws in Oak Island Initiative Pledge**

As the owner or manager of \_\_\_\_\_ (name of business), I am officially participating in the Voluntary Initiative to Eliminate Single Use Plastic Straws in the Town of Oak Island, NC as part of an effort to keep my community pollution free and stop plastic pollution at the source.

As a single use plastic straw free business, we will feature you on our list of participating businesses on The Environmental Advisory website, promoting you as green business leader in your community!

As a participating business I vow to: (please check all that apply)

Print on menu "Straws Available Only Upon Request" and only provide straws upon customer's request.

Discontinue the use and purchase of plastic straws. Offer a fully compostable or reusable option to plastic straws.
