CODE ENFORCEMENT REPORT

Date: May 1, 2023

To: Matthew Kirkland

From: Dedra Horn

RE: Code Enforcement Monthly Report

**Code Enforcement Report for the month of May 2023:**

**Staff Report:**

**Code Enforcement Monthly Report**

Case Type	Opened Cases	Closed Cases	Total
Minimum Housing: Abandoned/Dilapidated/Unsafe Structure	0	0	0
Accessory Structures/Fences	0	1	1
Junk, Abandoned Vehicles	4	3	7
Trash & Debris/High Grass/Overgrown Vegetation	16	10	26
Work Without Permits	5	9	14
Right-of-way Obstruction	28	34	62
Signs	4	3	7
Stormwater/Fill	0	0	0
Construction Site Violations	11	13	24
Miscellaneous/Other	5	10	15
<b>Total</b>	<b>73</b>	<b>83</b>	<b>156</b>
<b>New Cases for the month</b>	<b>73</b>		
<b>Unfounded Cases for the month</b>		<b>4</b>	
<b>Closed Cases for the month</b>		<b>83</b>	

A total of 73 new code case violations were processed and 83 case violations were closed. Unfounded violations remain low at only 4 for this month. In addition to the figures shown, CAMA/FEMA conducted 28 inspections, reviewed 35 plans, and conducted site visits for the month. Right-of-way violations continue to be the bulk of open and closed code enforcement violations. Multiple violation notices were issued, and numerous code case letters were mailed. Plan review figure to the right represents all zoning plan review completed. Zoning Technicians continue to assist and educate the public on a variety of concerns to include uses for Town rights-of-way, acceptable sign posting locations, street ends usage, and permitted uses. Assistance with new staff member training continues.

## Oak Island Police Department 4621 East Oak Island Drive Oak Island, NC 28465

**Date:** **04/01/2023 – 04/30/2023**

**To:** **Chief C. Morris**

**Subject:** **Community Policing Involvement Report**

**From:** **CRO. V. Denoble**

---

The fourth month of 2023 was very successful in the planning of events leading towards community involvement. The Department is building a stronger relationship with the community by hosting and attending multiple community events. Doing this will help us work closely together with the community to achieve a common goal. During the fourth month of 2023 the department has attended or hosted a total of 6 community events. Due to inclement weather, some events were canceled completely or postponed.

The following is a list of community events that the Department has attended or hosted. Some of these events have been around for a long time; however, didn't have much or any Law Enforcement involvement prior to August 1<sup>st</sup>, others are events that have been created and designed by the new Community Resource Officer to attempt to build a better rapport with the community.

1. On 04/02/2023, Corporal Marty Garris and Officer Cathryn Brown visited the Shell & Fossil Show, hosted by the Oak Island Recreation Department. A great time was had by all, as our officers got to interact with some wonderful people.
2. On 04/06/2023 The Department moved forward with its campaign "Let's Talk Low Speed Vehicles." Working with Communications Manager Michael Emory, Officer Denoble was able to re-design the LSV info cards for a more up-to-date approach on LSV laws. In addition to the rules and regulations that were originally written, information on the most violated laws was newly added. Most of the people who were written a citation or received a written warning claim that they had no prior information or knowledge pertaining to golf cart use. A letter was then drafted by Officer Denoble and endorsed by Chief Morris to be delivered to the businesses that rent the LSVs within our community. This urges the business owners and the LSV operators to partner with us, to ensure we all have a safe and enjoyable summer.

## LOW SPEED VEHICLES

[www.OakIslandNC.gov/LSV](http://www.OakIslandNC.gov/LSV)

Low Speed Vehicles (LSVs) and street-legal golf carts are just like any standard vehicle on the road, and must meet the following:

ALCOHOL / DRUGS and open container laws apply the same as any motor vehicle.

SEATBELTS and child safety seats must be installed and used by ALL occupants.

DRIVERS must possess a valid driver license.

STATE LAWS apply, LSVs must be tagged, registered, and insured.

DRIVING is limited to streets with a speed of 35 mph or less. NO driving on sidewalks, bicycle lanes, or the beach.

LIGHTS and license plates must be working, visible, and not blocked in any way. Yield to larger vehicles.

PARKING is limited to one LSV per parking space and / or bumper. Town or Paid Parking Permits are required (in season).

3. On 04/24/2023 Assistant Chief Frankie Cooke and Officer Denoble spoke about situational awareness, self-defense, and home security with attendees at the Oak Island Community Center. They also spoke about the Home Security Check program, and how they to be placed on it. stay tuned, as we'll have more on that in a post for later this week!

4. On 04/27/2023, Multiple members of the Department attended an exciting and emotional evening as Brunswick Community College celebrated the 68th Graduating Class of its Basic Law Enforcement Training program. Known for their perseverance, these students (and instructors) overcame every challenge that came their way and graduated 15 strong.

This graduation in particular was important to the Department because it included two of the departments' cadets. Matthew Tweedie (in first photo) was nominated as class president. He also received multiple awards and commendations during the ceremony process.

Brenda Buffa (in second photo) is another graduate of the BLET program and our cadet program. Tweedie has already started to work the road, Buffa will start around July 1<sup>st</sup>.

Matthew and Brenda were the first two people placed into the newly added 2022 Cadet Program. Their graduation showed that the program was headed in the right direction regarding the acquisition of new officers and provided us with a lot of information to move forward with. This program being mostly uncharted waters, was at times rocky and unnerving as unexpected issues arose from time to time. However, the course ultimately proved to be a success.

5. 04/21/2023, The Oak Island Sea Turtle Protection Program did a sea turtle release. They had 10 sea turtles that had been rehabbed and were ready to go home. Officer Lowery attended the ceremony and aided in the release of the turtles.

In addition to the community events that the department hosted or attended in April, A lot of progress was made in the efforts of setting up National Night Out. The Golden Knights were

able to get FAA clearance to jump on the date change. Brunswick Electric announced that the grant Officer Denoble applied for was approved and a check will be written in May. Lowes Home Improvement announced that they will be providing a minimum of 400 Build and Grow kits for the event (valued at around \$600). The announcements and flyer was made for the second annual Dutchman Dinghy Dash and the first inaugural Chop With A Cop event. Officer Denoble was able to partner with ThrowBaxe to host an axe competition with multiple agencies. This event will go towards building a better rapport with teenagers in the area. The entire event is being sponsored by ThrowBaxe (estimated around \$3,000). Brunswick County Sheriff's Office, Southport Police Department and Boiling Springs Police will also be attending the event.

Overall, our department will continue to strive to resolve community problems and continue to participate in community programs. In time we will continue to build community trust and work toward a more positive perception from the citizens we serve.
