A total of 103 new code case violations were processed and 100 case violations were closed. Unfounded violations remain low at only 2 for the month. In addition to the figures shown, CAMA/FEMA conducted 28 inspections, reviewed 18 plans, and conducted site visits for the month. Nuisance violations were the bulk of open cases and right-of-way obstructions were the bulk of closed code enforcement violations. Multiple violation notices were issued, and numerous code case letters were mailed. Plan review figure to the right represents all

**Date:** 05/01/2023 – 05/31/2023  
**To:** Chief C. Morris  
**Subject:** Community Policing Involvement Report  
**From:** CRO. V. Denoble

The fifth month of 2023 was very successful in the planning of events leading towards community involvement. The Department is building a stronger relationship with the community by hosting and attending multiple community events. Doing this will help us work closely together with the community to achieve a common goal. During the fifth month of 2023 the department has attended or hosted a total of 11 community events. Due to inclement weather some events were postponed until later in the year.

The following is a list of community events that the Department has attended or hosted in the last month. Some of these events have been around for a long time; however, didn't have much or any Law Enforcement involvement prior to August 1, 2022. A few these events are new ideas that have been created and designed by the new Community Resource Officer to attempt to build a better rapport with the community.

1. On 05/03/2023, Officer Denoble and Assistant Chief Cooke went to the Oak Island Community Center and gave a presentation on Hurricane Preparedness. During National Hurricane Preparedness Week, getting as much information out to the public as we draw closer to the 2023 hurricane season was paramount.

2. On 05/04/2023, Chief Morris and Assistant Chief Cooke attended the Brunswick Electric Membership Corporation Awards ceremony. In February 2023 Officer Denoble applied for a grant through the Brunswick Electric membership Corporation. The grant filed was to be used toward a program later in the year called National Night Out. BEMC selected Officer Denoble's grant proposal as one of the winners in 2023. The company then wrote a check for \$2,500.00 for the department to use towards the event that is scheduled for October 6<sup>th</sup> 2023.

3. On 05/10/2023, The Oak Island Police Department announced that the Beach Services Unit (BSU) was back!! They will be utilizing new UTVs this season each equipped with warning flags to determine and measure the level of precautions needed when entering the ocean water.
4. On 05/11/2023, the Oak Island Sea Turtle Protection Program came by the police department to donate lots of food and snacks for the patrol officers. Power-aid, chips, granola bars and many other items were given to help keep the Officers fed and full of energy during the upcoming summer season.

5. On 05/11/2023, Officer Denoble attended South Brunswick High School's annual career fair. Dozens of businesses, Government agencies and local departments came together to speak with students about the possibilities of a career within their professions. Nearly 500 students attended this event.

6. On 05/12/2023, The Police Department was honored to swear in Mr. Colton James ("CJ") Berry as our newest Honorary Officer. CJ is a happy, fun-loving teen, with a contagiously positive outlook on life despite the daily challenges faced by Duchenne Muscular Dystrophy. He greatly appreciates the first responder community and takes every chance he can to visit police departments and fire houses. CJ's visit is a great reminder of the heart behind why we serve our community. No matter the challenges you face, always remember that a little perseverance, positivity, and some good partners can make a big difference!

- 05/13/2023 Officer Todd Osborne assisted the Oak Island Beach Preservation Society in a “Spring Beach Sweep Event”. Working with multiple volunteers, 21 sections of Oak Islands Beaches were cleaned up right before the kickoff of summer. Utilizing donations obtained for another beach cleanup event that was cancelled, the Department was able to donate over 500 pairs of gloves and dozens of garbage bags to use for the event.

- 05/13/2023 Multiple Officers participated in the “Take a Kid Surfing Day” event hosted by the Surf Dreams Foundation. The program design is to get young adults in high school to come teach younger more novice surfers how to “cut waves.” Most of the children who attended this event have never even step foot on a surfboard before. By the end of the event, nearly all of them were able to catch at least one wave with their boards.

9. On 05/22/2023, Officer Denoble attended the first farmers market for the year. He met with multiple business owners, organization members and town residents. He handed out stickers and police wristbands.
10. On 05/29/2023, multiple officers, firemen and other emergency service members attended the annual Memorial Day ceremony at the Oak Island VFW Hall.

11. On 05/30/2023, Officer Denoble attended the annual grand opening of Ocean Education. Designed with youth ages 12 years and younger in mind, both the Ocean Education Center and Nature Center welcome families to get hands on with conservation activities, weekly craft projects, special speakers, and more. Perfect for the future conservation list in your home, be sure to make these two fantastic destinations part of your summer adventures.

In addition to the community events that the department hosted or attended in May, A lot of progress was made in the efforts of setting up other events geared towards later in the year. \$200.00 in gift cards was donated by Sebby's and Castucci's restaurant to put towards prizes in the Annual Dinghy Dash race coming up. The First Responder Fishing Derby sign-ups went live this month. All available spots were filled within the first 24 hours of being posted. Around half of the Chop with a Cop spots have been filled so far.

Overall, our department will continue to strive to resolve community problems and continue to participate in community programs. In time we will continue to build community trust and work toward a more positive perception from the citizens we serve.
