New Cases for the month	58
Unfounded Cases for the month	4
Closed Cases for the month	58

A total of 58 new code case violations were processed and 58 case violations were closed. Unfounded violations remain low at only 4 for the month. In addition to the figures shown, CAMA/FEMA conducted 21 inspections, reviewed 21 plans, and conducted site visits for the month. Work without permit violations increased both opening and closing for the month. Multiple violation notices were issued, and numerous code case letters were mailed. Office consultations continue to increase. Plan review figure to the right represents all zoning plan review completed. Zoning Technicians continue to assist and educate the public with a variety of concerns to include uses for Town rights-of-way, acceptable sign posting locations, street ends usage, construction site maintenance, and permitted uses.

---

The ninth month of 2023 was very successful in the planning and participation of events leading towards community involvement. The Department is building a stronger relationship with the community by hosting and attending multiple community events. Doing this will help us work closely together with the community to achieve a common goal. During the ninth month of 2023 department personnel attended or hosted a total of 12 community events. Due to inclement weather, some events were postponed until later in the year.

The following is a list of community events or programs that the Department attended or hosted in the last month. Some of these events have been around for a long time; however, didn't have much or any Law Enforcement involvement prior to August 1, 2022. A few of these events are new ideas that have been created and designed by the new Community Resource Officer to attempt to build a better rapport with the community.

1. On 09/02/2023 Officer Denoble attended the weekly fall market. He handed out stickers and wristbands to children and spoke with dozens of shoppers, local vendors, and business owners.
2. On 09/02/2023 Officer Denoble attended the first Live and Local concert series of 2023. He provided security and handed out lots of stickers, wristbands, and other swag items.

Lots of preparation has gone into our long list of upcoming events and programs. Some events to look forward to are National Night Out, Clause Cause, Generosity Feeds and Spooktacular Hayrides.

Overall, our department will continue to strive to resolve community problems and continue to participate in community programs. In time, we will continue to build community trust and work toward a more positive perception from the citizens we serve.
