Subject: Community Policing Involvement Report

From: CRO. V. Denoble

The tenth month of 2023 was very successful in the planning and participation of events leading towards community involvement. The Department is building a stronger relationship with the community by hosting and attending multiple community events. Doing this will help us work closely together with the community to achieve a common goal. During the tenth month of 2023 the department has attended or hosted a total of 18 community events.

The following is a list of community events or programs that the Department has attended or hosted in the last month. Some of these events have been around for a long time; however, didn't have much or any Law Enforcement involvement prior to August 1, 2022. A few of these events are new ideas that have been created and designed by the new Community Resource Officer to attempt to build a better rapport with the community.

1. On 10/06/2023 The Oak Island Police Department hosted its first ever National Night Out event. This event took Officer Denoble nearly a year to plan and consisted of every branch of the military, every law enforcement agency within Brunswick County and state agencies. The event was a huge success and catered to nearly 500 people.

5. On 10/13/2023 The department hosted the BADGES, BOATS & BOOTS Community Softball game which had nearly 75 people in attendance to watch the Oak Island Police Department and Oak Island Fire Department come together to play against the US Coast Guard. The Oak Island First Responder Softball Team "B3" defeated the US Coast Guard with a grand slam homerun by firefighter Christian Wright in an extra inning! During this event the Police Department and Fire Department raised over \$500.00 for Sea Biscuit Wildlife Shelter. Sea Biscuit Wildlife Shelter is a non-profit organization that rehabilitates injured and misplaced birds of all kinds.
