The Department is building a stronger relationship with the community by hosting and attending multiple community events. Doing this will help us collaborate closely with the community to achieve a common goal and show that each member of the department is a part of the community not just an employee. Some of these events have been around for a long time; however, did not have much or any Law Enforcement involvement prior to August 1, 2022.

March 2, 2024, The Brunswick County Special Olympics came to Oak Island to start the year off with a Polar Plunge. They raised over \$10,000 for the special Olympics with over three hundred people registered or donated to the Polar Plunge. Officers Tweedie and Creech blocked traffic at E Beach Dr, and SE 49<sup>th</sup> St. to allow friends and families to cross over to the beach. Even though the day was foggy and gloomy, that did not stop the hundreds of people jumping in the rough surf and enjoying a dip for Special Olympics.

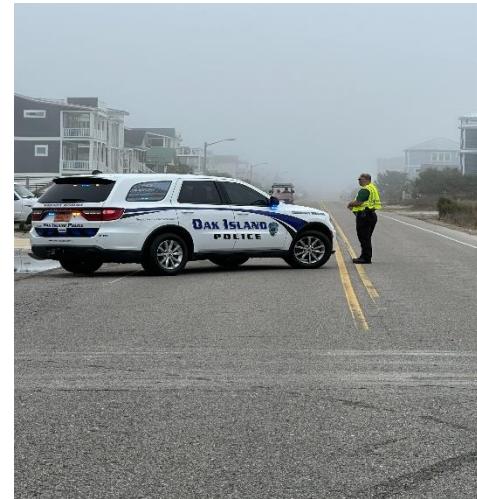

Pictured above are over one hundred people entering the water for the 2024 Special Olympics Polar Plunge. With Oak Island Water Rescue on standby.

March 5, 2024, The Senior Community group had Bingo with the Police. Each Month the Senior center has different activities for the senior members of Oak Island. A fan favorite is bingo. Chief Morris and Officer Boose joined in the fun and called numbers and sat and talked with these amazing men and women. Attending these small events shows that the police department from the top down are just like everyone else.

March 16, 2024, The Oak Island Recreation Department held their annual Easter Egg Hunt at Bill Smith Park. Sgt Birchfield, Officer Creech, and CRO Tweedie attended. "Hiding" over 6000 eggs for kids aging from 3 years old to 10 years old, and even got the dogs of Oak Island involved at the dog park was no walk in the park... Officers helped with lining kids up, helping find eggs, and even stopped and posed for a picture or two. These kids were overly excited to see them helping and even racing to find the next egg.

March 18, 2024, Going above and beyond... While responding to a welfare check for a senior resident who was not answering the door or phone for her Meals on Wheels that day. Officer Creech and Sgt Birchfield arrived on scene to find all doors and windows locked. Officer Creech stepped into action and noticed a pet door that she was able to open and talk with the senior woman that had been on the floor for over 24 hours. Creech fit through the pet door and unlock the door from the inside, to allow EMS crews to help and evaluate the lady. This action saved this situation from becoming tragic. This is just one of many ways that our Police Department goes above and beyond to keep the members of this community safe and sound.

Pictured above Officer Creech

Spring has arrived and has brought with it an early rise in guests to Oak Island. While we have seen an uprise in traffic, cars, and low speed vehicles alike, we at the Oak Island Police Department are gearing up to ensure that all residents and guests adhere to the laws and regulations. Oak Island PD wants everyone to stay safe and have fun this spring 2024. This next Month of April will bring with it events, training, and the start of beach services.
