## COUNCIL & BOARD MEETINGS

**BUDGET WORKSHOPS** will be held by the Town Council (*televised*) on **Tuesday, April 23** and **Thursday, April 25** starting at **9:00 AM** in the Town Council Chambers.

**BUSINESS ADVISORY BOARD** will hold its next meeting (non-televised) on **Tuesday, April 23 at 9:00 AM** in the Police Department Training Room on the 2nd floor of the Police Department.

Upcoming meetings for next week include:

- **Environmental Advisory Committee** (Thursday, May 2)
- **Par 3 Golf Advisory Committee** (Friday, May 3)

All Council & Board meeting dates can be found on the Meetings Information page at [OakIslandNC.gov/MEETINGS](http://OakIslandNC.gov/MEETINGS).

## **HOLIDAY CLOSURES**

There are **NO** Holiday Closures for the month of April. The next holiday closure will be on **Monday, May 27** in observance of **Memorial Day**.

To view all holiday closures, visit: [OakIslandNC.gov/HOLIDAY](http://OakIslandNC.gov/HOLIDAY).

## **Budget Workshops Wrapping Up**

Throughout the month of April, the Town Council has been holding their series of Budget Workshops, during which they meet with the Town Manager, the Assistant Manager / Finance Director, and various department heads to provide directives on budget priorities for the coming fiscal year.

A total of **four** (4) Budget Workshops so far have been held so far, on Tuesday's & Thursdays, **April 2, 4, 11, & 16**.

This week will hold the two final Budget Workshops scheduled, on **Tuesday, April 23** and **Thursday, April 25**, both at **9:00 AM** in the Town Council Chambers. Other Workshop dates may be added if needed, but if all goes according to schedule the Town Council will wrap up their review and directives by the end of this week. From there, development of the

Budget proceeds to staff, who will work to incorporate the Council's directives and have the Proposed Budget ready in time for a Public Hearing in late May.

## **Arbor Day Annual Event**

It's **Earth Week!** While "earth" is usually thought of as the ground beneath our feet (or water beneath our boat!) it is equally important to look to the sky. In particular to the many mighty live oaks providing shade over our heads.

As part of this year's Earth Weeks events, the **2024 Arbor Day Celebration** for the Town of Oak Island will be held this **Friday April 26, 2024** from **3:30 PM - 6:30 PM** at the [Oak Island Nature Center](http://OakIslandNC.gov/NatureCenter), located at 5202 E Yacht Drive.

Representatives from Tree Peace Oak Island, Brunswick County Master Gardeners, Citizens for Planned Growth, North Carolina Sea Grant, and The North Carolina Coastal Federation will be on site to share their tree and coastal landscaping knowledge with our community. Crafts and a fun urban forestry scavenger hunt will round out the festivities.

For more information on the event or the efforts by the Town as part of its *Tree City USA* designation, just visit the ***Environmental Advisory Committee*** page at [OakIslandNC.gov/EAC](http://OakIslandNC.gov/EAC), or click the link below.

## **REMINDER: Online Bill Payment Change**

As reported in last week's edition, earlier this month the Town transitioned online bill payment to a new service provided through [Edmunds GovTech](http://EdmundsGovTech).

As part of this change, a new **Customer Account Number** will be needed to make payments through **ACH / E-Check / Billpay**. Customers will need to update their **Customer Account Number** for all automated payments established through their bank.

For non-automated, online-only payment, a new **Customer Pin Number** will also be needed, as well.

New **Account & Pin** numbers will be provided on the next printed bill, but if they are needed sooner, you can request them directly by contacting the **Customer Service Desk** at **910-201-8001** or through the [Department Contact Form](http://OakIslandNC.gov/Contact).

To view the or more information or to make an online payment, just visit [OakIslandNC.gov/PAYMENT](http://OakIslandNC.gov/PAYMENT) or click the link below.

## 35th Anniversary of Sea Turtle Conservation

*[CONTRIBUTED by the Oak Island Sea Turtle Protection Program; the full contribution is linked below]*

The **Oak Island Sea Turtle Protection Program** is excited to announce this is our **35th Anniversary** of Sea Turtle Conservation, Education, and Preservation on Oak Island! Our **season** runs from **May 1 - October 31** or until the last nest is excavated. Last season we had our third largest number of nests on record with **133 nests!**

We were able to educate over 30,326 people at our nests and excavations! In 2023 our volunteers volunteered 15,457 hours and traveled 41,656.67 miles for a total "calculated donation" to our sea turtles of \$497,364.53! We are extremely proud of the work all of our volunteers give to our sea turtles!

The Oak Island Sea Turtle Protection Program is the only permitted program from the NC Wildlife Resources Commission to care for and protect the sea turtles that visit our beach. Please call us day or night, 24/7 if you see a nesting turtle, emerging hatchlings, washed-back hatchlings, or stranded or deceased turtles on the beach at **910-945-8888** or through the Hotline at **252-241-7367**! Your help is appreciated! We also invite you to come and sit with us in the evenings at our nests when the hatchlings are ready to emerge!

We love our sea turtles and our Town so THANK YOU to those in our community who share our love of sea turtles! To learn more about our organization, just visit our website at [okiseaturtle.org](http://okiseaturtle.org).

# SAFETY BRIEF

## POLICE DEPARTMENT: Badges, Boats, & Boots Replay

For all of the many things it is, Spring is also ***Softball Season!*** As pictured in this week's cover photo, the Police Department joined Fire Department this past Saturday, facing off against the Coast Guard Station Oak Island in our second **Badges, Boats, & Boots** game.

Unlike our first meetup, the "Puddle Pirates" (USCG) took the win this time with a score of 13-9. This now levels the tally between our teams at **1 win each**, which now all but demands a third game. Stay tuned, as we'll have more on that in the future.

While each of our respective teams may now have a win on their record, the BIG winner this weekend was the community as a whole. As with the first game, we selected charity to receive donated items and proceeds from T-shirt sales, which totaled several hundred dollars.

Stay tuned later this week, when we'll publish a full photo album and details of the designated recipient on the Police Department's Facebook page. If you don't already follow us there, just visit [\*\*Facebook.com/OakIslandPD\*\*](https://www.facebook.com/OakIslandPD) or click the OKI-PD patch below.

## FIRE DEPARTMENT: Blending Technology Into Training

Last week our **Ocean Rescue Unit** underwent three straight days of training. This included working on certifications while also learning to work seamlessly with incredible drone technologies that are newly available to us.

These new abilities include being able to quickly deliver Recue Tubes, Auto-Inflating Devices, and Tether Rope to swimmers in distress, or to aid rescuers. Additionally, it allows us enhanced searching and victim location, through daytime Infrared (IR) video.

However, when providing emergency response in today's world, it is crucial to be able to blend ***technology with technique!*** While these tools are definitely "game changers" for rapid life-saving response, they are still just tools. True of any trade, a tool is only as useful as the one who wields it. As is the case for the entire first responder community in Oak Island, the ORU is working hard to ensure that whenever called upon, we have the TOOLS, the TECHNIQUES, and the TEAMWORK ready.

To learn more about the training and the exciting new technology involved, you can check out the brief video posted on the Fire Department's Facebook page. If you don't follow us already, just visit [\*\*Facebook.com/OakIslandFire\*\*](https://www.facebook.com/OakIslandFire) or click the OKI-FD patch below.
