Week of

**June 10, 2024**

The month of June keeps rolling along, much like the waters in this past Saturday's **Ride The Tide Kayak Event**. However, just like the paddlers who traveled up the Davis Canal pictured in this week's cover photo, we're ready for the fun and fellowship found around every bend!

Thankfully, there's no paddle or "boats that float" needed for today, just perhaps a pair of reading glasses as we get ready to float on in this week's edition of ***The CURRENT***.

## Portable Restrooms Installed

Last week, the Town took delivery of **TWO** new **Portable Restroom Units**, which were purchased through the use of Paid Parking revenues, allocated by the Town Council during a **December 19, 2023 Special Meeting**.

The Council approved the purchase of these two units as a "Pilot Program" to assess their costs to benefit. As mobile units, they can provide restrooms at public Beach Access Locations without the needed infrastructure of a permanent facility. This mobility also allows for them to be safely stored during the winter season, or to be used during emergency response recovery efforts.

The units feature air conditioning as well as handicapped access ramps, and have an expectancy of between 10-15 years of use as a mobile unit, with possible future use as a permanent installation. They have been placed in the parking lots at the **Middleton Park Complex** and **604 Ocean Drive**. Utility service will need to be connected before they can be put into use, however they are expected to be fully operational by **Beach Day**.

As this is a **pilot program** to determine their effectiveness, no additional units are planned for purchase at this time. Staff with the **Operations Division** of the Public Works Department will maintain these units, and evaluate their resilience to public use, weather conditions, and potential vandalism. To learn more about the Operations Division, just visit their page under the Public Works Department at [OakIslandNC.gov/PW](http://OakIslandNC.gov/PW) or click the link below.

## Free Voter ID Event

Throughout the Summer, the Brunswick County Board of Elections will be hosting a series of **FREE Voter ID** events. Scheduled to kick off this week on June 12, this countywide initiative aims to empower citizens by ensuring they have the necessary identification to exercise their right to vote.

To obtain a voter photo ID at one of these events, individuals must be registered voters and residents of Brunswick County. No ID is required, but a form will need to be completed that requires the voter's name, date of birth, and the last four digits of their Social Security number.

In addition to providing FREE Voter Photo IDs to Brunswick County registered voters, staff will provide voter registration, General Election voter guide, and other resources to assist voters in understanding their voting options.

A **Voter ID** event will be held in Oak Island on **Wednesday, June 26, from 10:00 AM – 1:00 PM at the G.V. Barbee, Sr. Library**, located at 8200 E. Oak Island Drive.

# SAFETY BRIEF

## POLICE DEPARTMENT: Fighting Phone Scams

Last week, we learned about a new phone scam, wherein scammers were trying to solicit donations "on behalf of the [Oak Island Fire Department](#)." received reports of phone calls being made, soliciting donations on behalf of the Fire Department or Fire Marshal's Office.

Almost immediately, the Town issued a [media release](#), stating ***THIS IS A SCAM***, and that ***no Department with the Town of Oak Island will ever solicit for donations over the phone.***

Unfortunately, phone scams like these are familiar and heavily used tactic, because they are oftentimes so effective. They prey on our good nature, and take advantage of our desire to help our community.

The good news is **[you can fight back!](#)** The [Federal Communications Commission](#) (FCC) offer several great tips for helping to prevent these scams from taking root in our community, including:

- Don't answer calls from unknown numbers
- Be aware that Caller ID showing a "local" number does not necessarily mean it is a local caller.  
If you answer the phone and the caller - or a recording - asks you to hit a button to stop getting the calls, you should just hang up.
- Do not respond to any questions, especially those that can be answered with "Yes."
- Never give out personal information such as account numbers, Social Security numbers, mother's maiden names, passwords or other identifying information in response to unexpected calls or if you are at all suspicious.
- Use caution if you are being pressured for information immediately.

**[CLICK HERE to read the full list from FCC.gov](#)**. Just like it is important to be aware of your surroundings in the real world, it is equally important to do so in the "virtual world" online and over the phone. If you or someone you know feels you may be a victim of this latest effort, feel free to reach out to us through the [Department Contact Form](#), available on our webpage at [OakIslandNC.gov/PD](#) or by clicking the OKI-PD patch below.
