Oak Island Police Department

4621 East Oak Island Drive • Oak Island, N.C. 28465

Charles A. Morris II, Chief

Date: 08/01/2024 – 08/31/2024
To: Chief C. Morris
Subject: Community Policing Involvement Report
From: CRO. M. Tweedie

The Department is building a stronger relationship with the community by hosting and attending multiple community events. Doing this will help us collaborate closely with the community to achieve a common goal and show that each member of the department is a part of the community, not just an employee. Some of these events have been around for a long time, however, did not have much or any Law Enforcement involvement prior to August 1, 2022

August 13, 2024, Major Frankie Cooke the assistant Chief of Oak Island Police Department worked for more than two years to get the police department accredited through the North Carolina League of Municipalities. The Department was recognized for completing the Law Enforcement Risk Review through the [NC League of Municipalities](https://www.ncleagues.com/). According to NCLM, the Risk Review process involves a comprehensive agency review of the high-risk policies, operations, and practices and includes a detailed on-site agency review designed to validate that practices align with policy and, in turn, with industry best practices.

On August 16, 2024, Members of the Oak Island Police Department partnered with Carolina Coastal Group Realty and collected back-to-school supplies for teachers. We asked the community to fill a police car, and what we got was the car full and half the area on the ground full. We were able to help three schools with supplies for the teachers.

On August 17, 2024, Oak Island Police Department hosted the Annual Dutchman Dingy Dash. We had people from as far away as Salisbury NC show up to compete. With two divisions, adults, and kids, we had 10 boats competing. Overall, we had a great turnout, and the community came out to support us in general. We were able to get head start on our food drive for Thanksgiving.

August 28, 2024, Oak Island Police welcomed Officer Hallum to the department. Hallum has been in law enforcement since 2016, having started with the Charlotte-Mecklenburg Police Department, where he was assigned to the patrol division for 5 years. During this time, he received his Intermediate Law Enforcement Certification through NC Training and Standards and became certified in Traffic Crash Reconstruction. Following this, he moved to Minnesota, where he was sworn in as a Minnetonka Police Department Peace Officer, serving for a year and a half before returning to North Carolina to join the Oak Island Police Department.

August was full of guests, vacationers, and residents enjoying the sizzling summer month. Many events were full of community members and guests. This next month brings a big transition from the hot days of summer and guest, to more of a local feel and hopefully cooler weather to enjoy as we get ready for some big town sponsored and police sponsored events.
