Week of
November 18, 2024

WELCOME to *THE CURRENT*, the weekly digital newsletter for the Town of Oak Island, NC.

It's the third full week in November; officially "Prep Week" for one of the best times of the year ... **Thanksgiving!** It's time for calling loved ones, making travel arrangements, writing grocery lists and pulling out recipe cards (*on related note, my mother's time to retire that green bean casserole that everybody is polite and says tastes really great, honest, but somehow never gets eaten?*).

Point being, there's a lot to do in the business of being thankful. So much in fact, that we sometimes forget to stop to just be, well, thankful. Like so many others in recent history, 2024 has been a long year that somehow also flew by quickly. Despite the storms, damages and disappointments life can throw, this year has also brought some pretty good times too; with a **parade of fun things** still to come.

So in the midst of all that running around and "holiday hustle" you're about to begin, don't forget to pause and remember what you're truly thankful for. Right now, we're thankful for another week packed with news and updates, as we dive into this week's edition of **The CURRENT**.

MEETINGS & CLOSURES

- **Business Advisory Board**
- **Planning Board**

- **This Week In Recreation**
- **Event Flyers**

MEETINGS & CLOSURES

COUNCIL & BOARD MEETINGS

BUSINESS ADVISORY BOARD will hold its regular meeting on **Tuesday, November 19** at **9:00 AM** in in the Police Department Training Room on the 2nd floor of the Police Department.

PLANNING BOARD will hold its regular meeting on **Thursday, November 21** at **9:00 AM** in the Council Chambers, located on the 2nd floor of Town Hall.

All Council & Board meeting dates can be found on the **Meetings Information** page at OakIslandNC.gov/MEETINGS.

HOLIDAY CLOSURES

Town Administrative Offices will be **CLOSED** on **Thursday & Friday, November 28 - 29, 2024** for **Thanksgiving**.

- **NOTE:** The **Disposal Convenience Site** will be **CLOSED** run on Friday, November 29
- All currently open **Parks & Recreation Facilities** should remain open
- Police, Fire and Emergency Response services will be available by **calling 9-1-1**

To view all holiday closures, visit: OakIslandNC.gov/HOLIDAY.

NEWS & NOTICES

Council Review & Beach Nourishment *UPDATE*

On **Tuesday, November 12** the Town Council held their **Regular Meeting** for the month of November. On the following **Thursday, November 14**, the Town Council held a **Special Meeting** to discuss several items, not fitting into the regular meeting agenda. **NOTE:** *This continues a new practice for the Town Council to improve time management, whereby the Thursday afternoon following each Regular Meeting, is reserved for a "workshop style" meeting to address business which may not fit into the regular Meeting Schedule.*

***NEW* "OKI Connection" Mobile App**

Those in attendance or watching the Town Council meeting last week, got a welcome surprise and a sneak preview of an amazing new feature that has just been launched ... the **OKI CONNECTION mobile app!** That's right! The Town of Oak Island officially joins the email, social media, and silly game icons that adorn your phone's home screen, with the launch of our own mobile app!

Now available for download on the [Apple App Store](#) and [Google Play](#) this self-published app provides a mobile-friendly version of the Town Website, with “easy buttons” linked to the most requested services and departments. If the easy buttons aren't enough, there's also a search bar with access to the full Town Website. And don't forget, there's definitely a link to sign up for email notifications and emergency text alerts through the **OKInformation** system!

So if you need Oak Island information, but need it as fast as one click from your home screen, then the new **OKI Connection** app is what you're looking for! Just visit the [App Store](#) or [Google Play](#) and search for "OKI Connection" then click on the app featuring the logo below:

Beach Nourishment Project *UPDATE*

During the **Special Meeting** on Thursday, November 14, it was reported that bids had been received for sand dredging and placement services for the **2024-25 Beach Nourishment Project**. For more than a year Town staff have been working with contracted engineering firm Moffat & Nichol to meet federal and state requirements, submit the appropriate permitting, and secure leases from the **Bureau of Ocean Energy Management**, to approve this full nourishment project. This project, along with the projects the U.S. Army Corps of Engineers is performing on the East and West ends of the island, would service the Town's **entire** beach area.

Unfortunately for various reasons, possibly including limited contractor availability, the bid amounts were **extremely** higher than anticipated. This has prompted the Town Council to **postpone** the 2024-25 Beach Nourishment Project, and re-bid it at a later time for the 2025-26 Winter Season.

While initially viewed as a setback for the moment, Mayor Liz White chose to take an optimistic approach, noting it would "give us a longer runway" to explore additional options, further build funding, and provide contractors with new avenues when the project is re-bid next year.

In the meantime, all current information and future updates on the project will be posted on the **Beach Nourishment & Preservation** page at OakIslandNC.gov/SAND or click the link below.

Community Engagement Survey

It's been just a little over a week since the Town launched the new **Community Engagement Survey**, and the submissions are rolling in, so there's no reason you shouldn't join in and add your voice as well!

This Survey is an integral part of the **2045 Charting The Course** project to update the Town's **CAMA Comprehensive Land Use Plan** (often referred to as a "Comp Plan"). It provides residents & property owners an opportunity to provide valuable input on progress made and new initiatives needed for the future. The Survey also includes questions related to the Town's simultaneous **Streetscape Project** and should take approximately 8 minutes to complete. **Physical copies** are available in several Town Facilities if you are unable to fill out the Survey online, or just visit OakIslandNC.gov/SURVEY.

To learn more about the *2045 Charting The Course* project itself, visit OakIslandNC.gov/PLAN2045 or click the Logo Link below.

Staff Spotlight: New Finance Director

Effective as of November 4, the Town has named **Helen Brank** as the new **Finance Director**.

Helen originally joined the Town back on May 20 of this year as the Accounts Supervisor, under then Finance Director, Kathryn Adams. Following Adams' acceptance of the position of Town Manager, finding a qualified, knowledgeable individual to fill the Finance Director role was crucial.

As Director, Brank will administer the responsibilities of the **Finance Department**, which include financial planning, accounting, payroll, utility billing and collection, budget preparation and adherence and treasury management. Additionally, the Department oversees the adherence to Budget Ordinances, Account Auditing & Fiscal Reporting, and the Town's Fee Schedule.

To learn more about the Finance Department and the many ways it serves the Town of Oak island, visit OakIslandNC.gov/FINANCE or click on the photo below.

POLICE: BSU Season Report for 2024

During the Town Council meeting last week on November 12, 2024, Chief Morris gave a presentation on the **2024 Season Report** for the **Beach Service Unit** (BSU).

During the busy summer tourism season, this civilian-staffed branch of the Department is crucial to preserving and maintaining the public beach areas. The BSU staff members work in conjunction with sworn officers to serve both residents and visitors, through their daily patrols.

Now in its third year of service, the 2024 Season Report shows the great strides this Unit has made in helping the public become familiar with what is expected while on the beach. In nearly every metric reported, changes in the number of verbal warnings and written citations directly reflected the needs observed from the previous year. Strong education efforts and

enforcement lead to a **decrease** in some infractions, while observed actions lead to **increased** enforcement of others.

Having these staff members out there every day, interacting with the public and presenting that "face forward" to the community has quickly proven to be a valuable asset to not just our department, but the Town as a whole. You don't have to take our word for it, check out the data for yourself. To learn more about the Beach Service Unit and view the 2024 Season Report, just visit OakIslandNC.gov/BSU or click the patch below

FIRE: Hydrant Testing Wrapping Up

Since the beginning of October, we have been working to complete our annual **Fire Hydrant Testing & Maintenance** program, with testing scheduled each Monday - Friday, from 8:00 AM – 4:00 PM. Despite a few minor delays from weather, daily call volume, and other assorted needs, we've made good progress. At current pace, we are on track to have all testing completed by the end of the month.

If you're unfamiliar with the program, the Town maintains over 830 fire hydrants, all of which must be inspected each year. A full testing is also performed on 20% of the hydrants each year, ensuring that every hydrant is inspected annually and goes no more than 5 years without full testing. Hydrant testing is an important aspect of maintaining readiness in response to emergency calls for assistance.

As a reminder while we wrap up this year's program, please **do not approach** fire engines or try to talk with firefighters while they are testing! This allows them to complete the testing safely and quickly. If there is an emergency while firefighters are in your area, as always, **call 9-1-1 FIRST**

To learn more about the Fire Hydrant Testing & Maintenance program, or the many other services provided by the Oak Island Fire Department, just visit OakIslandNC.gov/HYDRANTS or click on the department patch below.

COMING EVENTS

Parade Applications ***DUE THIS WEEK***

As a reminder, Parade Entry Applications for the Christmas By The Sea Parade are ***DUE THIS WEEK*** by **Wednesday November 20!**
