January Training and Events

Quarterly Public Safety Meeting with OIPD

Monthly Meeting with Water Rescue

EMS Training and On-Boarding

Winter Storm

ISO meeting and prep

The snowstorm kept us busy. We had additional staff report to work for the 2 days that impacted the island. We were fortunate we only had a few medical calls and service calls. We did not have any vehicle accidents or fires. We were very lucky in that aspect.

We did provide meals the two days, for those that worked through the storms.
