

A large, pink, heart-shaped inflatable archway. The word "LOVE" is written in red capital letters across the top. Below it, the words "THE CURRENT" are written in large, white, bold capital letters. The archway is decorated with several small, yellow, heart-shaped balloons. The background shows a building with large windows and doors, and a small wooden structure to the left.

LOVE THE CURRENT

Week of
February 10, 2025

"Love Is In The Air, In the whisper of the **trees.** Love Is In The Air, in the thunder of the **sea.**" Ever since Australian singer John Paul Young first dropped his 1977 disco hit, it's become a staple of Valentine's day media. Standing on shores of Oak Island however, it's hard not to think those lines in that second verse weren't somehow written just for us.

It's nearly impossible not to fall in love when you're in such a beautiful place "**where the Trees meet the Sea!**" Cards, candies, and fresh cut roses may be the symbols of love for some, but around here, it doesn't get much more romantic than a simple walk in the sand, or an old tree swing under a sturdy oak.

Despite Cupid's distractions, there's plenty of Town businesses (and fun announcements) for the week ahead. So once you've finished eating all the chocolate in that oversized heart-shaped box, be sure to wait 30 minutes before taking a swim in this week's edition of ***The CURRENT.***

Seafood Festival Announced

Do you like the sea? Do you like food? do you like ***food that comes from the sea?***

Well have we got some news for you, as the **Recreation Department** has just announced the **2025 Oak Island Seafood Festival**, set for **Saturday, May 3, 2025** from **NOON - 5:00 PM**.

This exciting ***NEW*** festival will feature a **Peel-&-Eat Shrimp Competition, Cooking Demonstration, Education Events, a Craft & Artisan Market, Food Trucks**, and live music by **The Ford Project**.

The Festival will be held in the **Middleton Park Complex**, located at 4610 E Dolphin Dr. **PLEASE NOTE:** This is a **Town-sponsored** event, so **Paid Parking** will **NOT be in effect** during the Festival for the immediate area.

To learn more or download your own Festival Flyer to share, visit the **Special Events** page at OakIslandNC.gov/EVENTS or click the link below.

NEW "Name The Tree" Contest

Located within the **Bill Smith Park** at 4410 Fish Factory Road, there is an old, beloved live oak tree. As part of the Town's ongoing **Tree Preservation Project**, efforts are underway to honor and preserve this part of local history, **starting by giving it a name**; and the Town would like YOUR help!

In a **Facebook exclusive** event, the Town has started a **Name The Tree** contest which **will run this week only**, through **Friday, February 14**. To participate:

- Simply comment on the **original post**, currently pinned to the top of the **Town Facebook** page (**NOTE:** Must be on the original post, comments made on shared posts will not be seen).
- We'll select the top finalists and open an official poll for everyone to vote on their favorite!
- The winning name will be announced at a special ceremony during the **Earth Day Festival** on **Saturday, April 26, 2025**.

Get creative, get inspired, and help us give this iconic tree the perfect name! To view the post and make your own name suggestion, just visit the Town Facebook page at [Facebook.com/TownofOakIslandNC](https://www.facebook.com/TownofOakIslandNC) or click the link below.

THIS WEEK: Community Open House Event

Reminder: on **Wednesday, February 12**, at **6:00 PM** the **Community Open House** event will be held as part of the **2045 Charting The Course** project to update the existing **CAMA Comprehensive Land Use Plan** (often referred to as a “Comp Plan”).

This open house serves as the latest public input forum in the project, and will focus on sharing and refining the draft goals developed from the initial Kickoff Event and the Community Survey.

The open house will also provide an opportunity for feedback on the ***Streetscape Visioning Plan***, currently being developed alongside the Comp Plan. The Streetscape design concepts will be available for review, with the designers present to answer any questions.

Public insights are crucial in guiding the Town’s development over the next two decades. Come and share your thoughts to help ensure that the goals of this plan reflect the vision and needs of the community. To learn more about the **2045 Charting The Course** project, along with the ***Streetscape Visioning Plan***, just visit the ***PLAN 2045*** page at OakIslandNC.gov/PLAN2045 or click the logo link below.

Staff Spotlight: New Officer On Duty

Last week, the **Oak Island Police Department** was proud to announce one of its newest additions, **Officer Zachary Knepshield**. Officer Knepshield was hired by the Department as a Basic Law Enforcement Training (B.L.E.T) cadet at Cape Fear Community College, where he graduated this past December.

Zachary has been a resident of Brunswick County for four years, and has always known he wanted to be a Police Officer. He is eager to start serving Oak Island, and in his free time enjoys basketball and spending time with family.

The Department looks forward to great work from Officer Knepshield, as we're sure he'll be a valuable to this community. Please help them welcome Officer Zachary Knepshield to the Town of Oak Island family!

SAFETY BRIEF

Safety Station Signage

While it is still February, and that means still technically winter, the warm days of Spring and Summer will soon be here! That means the **National Weather Service** will resume its **Beach Warning Flag** forecasts, and the the **Ocean Rescue Unit** will be checking the **Water Safety Stations** for the season ahead.

Last week, the Oak Island Fire Department was contacted about a Water Safety Station sign, which had become damaged and fallen off its pole.

As anyone can imagine, these are **vital to ensuring public safety**. Thankfully, Fire Chief Lee Price was able to recover the damaged sign, which had been left beside pole. He was grateful for the tip, as with nearly 70 signs posted throughout the public beach areas, it can sometimes be difficult to notice damaged or missing signs quickly.

That's where YOU come in! **If you ever notice a damaged, missing, or faded sign, please contact the Fire Department immediately through the [Department Contact Form](#).** If a firefighter or an officer with the Oak Island Police Department is nearby, you can also alert them as well.

Similarly, if you ever notice someone posting on social media about damaged or broken signs, please point them in the same direction. In either case, please take action, and do not just assume someone else will do it! Your small effort could mean a world of difference for someone in their time of need!

To learn more about the Water Safety Stations, their signage, and the Rescue Tubes they hold, just visit the ***Beach Safety*** page at [OakIslandNC.gov/SAFETY](#) or click the link below.
