March 2, 2025, Officers Shine at Polar Plunge Event, Ensuring Safety and Community Connection.

The Polar Plunge at Rusty Hooks was a thrilling success, with brave participants taking the icy plunge for a great cause. Keeping the event safe and enjoyable were Officers Joe Trahey, Osborne, and Sasser, who provided a strong yet friendly presence throughout the day.

Dedicated to maintaining a secure environment, the officers monitored the smaller venue and ensured smooth operations. Beyond their safety duties, they took time to engage with attendees, building positive rapport with the community. Their approachable demeanor and willingness to interact with participants and organizers helped reinforce trust and camaraderie between the Oak Island Police Department and the public.

Events like the Polar Plunge highlight the importance of community partnership, and the officers exemplified what it means to serve with professionalism and warmth.

The annual Spring Fling at Middleton Park was a vibrant celebration of community spirit, bringing together families, vendors, and local organizations for a day of fun and connection. Among the many contributors to the event's success was Officer Al Barnes, who played a key role in ensuring a safe and welcoming environment for all attendees.
