# NEWS & NOTICES

## Say Hello to Serenity Oak

**"Serenity Now!"** It's not just the calming mantra of one Frank Costanza, it's now the experience you get when taking in the foliage at Bill Smith Park!

This past Saturday, the Town held dual celebrations (*in dual locations*) for both **Arbor Day** and **Earth Day**! The festivities took place from NOON - 4:00 PM, with the Middleton Park Complex holding most of the Earth Day Activities, as the Bill Smith Park served to host the Arbor Day events.

In Bill Smith Park, the talk of the Town was on TREES. With activities such as a giveaway of over 100 live oaks, or Town Management stepping up to help plant new ones; the one moment which held the most interest was the **Tree Dedication Ceremony**, wherein the Park's signature **200+ year old oak tree** was officially christened with a name! following a contest which began back on **February 10** of this year, the name suggestions were all compiled and voted on to result in the tree's new official name of ... **Serenity Oak**.

In addition to the new name, ***Serenity Oak*** also received a special plaque, a lightning strike protection system, and a roped perimeter to help protect the root system. You can visit sweet ***Serenity*** for yourself anytime at the **Bill Smith Park**, located on the mainland at 4410 Fish Factory Rd. To learn more about the Town's effort to preserve and grow the tree canopy, visit the ***Tree Preservation & Removal*** page at [OakIslandNC.gov/TREES](https://OakIslandNC.gov/TREES) or click the link below.

## Sea Turtle Season Starts

(Contributed by the ***Oak Island Sea Turtle Protection Program***) OISTPP is excited to announce the **2025 Sea Turtle Season** will begin ***THIS WEEK*** on **May 1**, and will continue through October 31! As we move into another season, we'd like to offer these reminders:

The ***Oak Island Sea Turtle Protection Program*** is the only permitted program from the NC Wildlife Resources Commission (NCWRC) to care for and protect the sea turtles that visit our beach. Please call us day or night, 24/7 if you see a nesting turtle, emerging hatchlings, washed-back hatchlings, or stranded or deceased turtles on the beach.

***Please call 910-945-8888 with locations and details of all activity, and we will respond asap! Your help is appreciated!***

Remember, it is a **federal offense** to remove a turtle from the beach, to disturb or shine lights on them, to harass or pick them up and pass them around. Please respect our sea turtles and all marine and wildlife! If you hook a turtle fishing from the pier or beach, please call us immediately! We will assess the turtle and transport it to Karen Beasley Rescue and Rehab Center if needed.

We love our sea turtles and our Town so **THANK YOU** to those in our community who share our love of sea turtles! You make a difference in their care and protection. For more information on the Oak island Sea Turtle Protection Program, just visit [www.okiseaturtle.org](https://www.okiseaturtle.org) or click the link below.

## Outside Agency Funding Applications *Due Monday*

As first reported in the [April 14 edition](#), the ***NEW Outside Agency Funding Applications*** for **Fiscal Year 2025 / 2026** are available and **DUE** by close of business on Monday, May 5, 2025.

These applications include the updated ***Funding Policy***, which serves to promote partnerships between the Town of Oak Island and non-profit agencies for the benefit of Oak Island residents, to equitably and efficiently allocate resources to strengthen agencies, and to provide sound and clear methods for decisions. Ensuring all tax dollars are used in the best possible manner for the benefit of all citizens is a top priority for the Town of Oak Island.

Applications can be downloaded from the ***Form Center*** page at [OakIslandNC.gov/FORMS](https://OakIslandNC.gov/FORMS) or by clicking the link below.

## Staff Spotlight: Pickleball Chief

This past weekend, the ***Oak Island Beach Pickles*** group, held their annual ***Spring Pickleball Classic Tournament*** in the Middleton Park Complex, in association with ***Southern Pickleball Association***.

This private event drew hundreds to Oak Island, with 235 registered players and their family and friends, from states as far away as South Carolina, Georgia, West Virginia, and even California! Proceeds from the tournament will go to benefit the non-profit ***Oak Island Friends of Parks Foundation***.

Despite such stiff competition from so far away, the Town was well represented locally with several Town Staff even joining in. This included our own **Police Chief Charlie Morris**, who along with teammate Ann Marie Charette of Southport, was able to help **WIN** the **GOLD** in their **4.0** category of ***Mixed Doubles*** (50-59).

It's no secret that Chief Morris leads by example when he encourages Police Officers to not only be active in their community, but to participate in daily as well. Congratulations to Chief Charlie Morris on the win.

## ***Manager's Message: Budget Process Progress***

Way back in the ***Manager's Message*** for the January 13 edition, we discussed one of the most important (and my personal favorite) times of the year ... the ***Budget Season***.

That's right, just two weeks into 2025, we started building the budget for the **2025-26 Fiscal Year**. To recap, the development of the Annual Budget is a process that operates on a near continual basis, where each month's revenues are analyzed to help project next year's Budget. However, the most visible portions of the process began with the Town Council Retreat in January. We developed a DRAFT Strategic Plan with the Town Council upon which this year's Budget is based.

In March we worked with all the departments to hear their needs and discussed recommendations for savings. In April, we have held a series of Budget Workshops with Town Council, with one of the final workshops scheduled for this week. Once we have all of the input from the Town Council at the Workshops, Town Staff will work to assemble the ***Recommended Budget***.

The Recommended Budget will be presented to the public during the regular Town Council meeting in May, and a special public hearing will be held in late May. The Town Council will formally vote on the Budget in **June**. This will become the Adopted Budget for FY 25-26. All workshops, Council meeting, and public hearings are always open to the public.

# SAFETY BRIEF

## Beach Bonfire Season Ends

As noted earlier in this edition, the Sea Turtle Nesting Season officially begins this coming **Thursday, May 1**. As this popular season begins, so another equally enjoyed beach season in Oak Island must end.

**NOTICE: Beach Bonfire Permit Applications will CLOSE at the end of day on Wednesday, April 30.**

While there is a little sadness seeing these cozy wintertime traditions go, it's always nice to see the excitement of summer (and sea turtles) they lead to! So please remember, let's keep the bonfires off the beach for the next few months. You can help as well -- if you are asked by a visitor, or even other residents about beach bonfires, just point them to the Beach Bonfires page at [OakIslandNC.gov/BONFIRE](https://OakIslandNC.gov/BONFIRE) or click the link below.
