WELCOME to *THE CURRENT*, the weekly digital newsletter for the Town of Oak Island, NC.

"WORK HARD. PLAY HARD." It's almost a tired cliché, but the saying still rings true in the Town of Oak Island. This week marks the 65th Annual **National Public Works Week**, when we set aside time to honor those who provide the service and maintain the infrastructure which supports the daily functions of the Town.

This year's theme is "**People, Purpose, Presence**" which highlights the "three cornerstone ideals" that motivate public works professionals, such as the 30+ employees in our own **Public Works Department**.

If you didn't notice them this week because you were busy **Riding The Tide** or taking in a Sunday afternoon **Softball Game**, that just means they did their job and everything was working as it should! Sure, things don't always go according to plan, and delays and frustrations happen, just as they would with any job; but when an entire Town is riding on your shoulders, you stay committed to the work at hand. That's something this publication has been pointing out since its **very first edition**.

So before sailing off into the week ahead, let's stop and take a moment to say ***thanks*** to the Public Works staff who simply make things ... well, **work!** And afterwards, whether you're hard at work or easy at play, we'll all take a moment for a quick splash through this week's edition of ***The CURRENT***.

Traffic Change Coming

If you regularly visit the Community Center, or have played a round or two of pickleball lately, then you know the area surrounding Town Hall is growing in popularity ... and traffic! That's why during the [April 8 Town Council meeting](#), Council approved converting **SE 47th Street** to a **one-way traffic pattern**.

Starting on **Saturday, May 31**, traffic will only be able to turn onto SE 47th Street from E. Oak Island Drive, but must use SE 46th Street to exit the Town Hall parking lot.

This change will provide a more efficient traffic flow, with vehicles coming in off Oak Island Drive to one of the Town buildings or recreation areas, and exiting traffic going north or south on SE 46th Street. This will also make the parking lot behind Town Hall one-way for vehicular traffic. The new traffic pattern should help increase pedestrian safety, while also creating an easier-to-follow traffic flow around the Town facilities.

For questions or more information on the new traffic pattern, contact the Oak Island Police Department through the **[Department Contact Form](#)** or click the image below.

Summer Collection Schedule Started

This past Saturday, May 17, the **Garbage & Recycling Collection Summer Schedule** began for **Collection Zones 6, 7, & 8**. This change means that Garbage Collection service is now being provided every **Wednesday & Saturday**, with **Recycling Collection** provided every Saturday. Collection will switch back to the normal schedule in September.

The Town of Oak Island has a total of eight (8) Garbage & Recycling Collection Zones. The more heavily trafficked areas of **Zones 6 - 8** essentially cover the beach areas, including Beach Dr., Dolphin Dr., Pelican Dr. and Ocean Dr. While most of the year these areas are provided collection service on one day of the week, during the Summer they are switched switch to a twice per week to cover the higher volumes.

To view information about Collection Zones, the current year Collection Schedules, and other services provided, visit the **Public Works** page at OakIslandNC.gov/PW or click the link below.

Par 3 Golf: Residents Day

Manager's Message: Review Ready Budget

Last **Tuesday, May 13** our Finance Director, Helen Brank presented the **Recommended FY 2025 - 2026 Budget** to the Town Council, after which the presented materials were made available on the ***Budget Information*** page of the Town Website.

As Town Manager, I am thankful for the dedicated staff who worked so diligently to bring this together; as well as the Town Council who listened to concerns and provided thoughtful input and directives.

Most notably, this recommendation offers a ***Balanced Budget*** with ***No Tax Increase***. The Town's Fund Balance continues to remain strong at 92% for the General Fund, which is in compliance with state law and well over the Town's internal policy to maintain a minimum total fund balance of 40%.

As noted earlier in this edition, there will be a **Budget Public Hearing** next **Tuesday, May 27 at 6:00 PM**. In the meantime, the Recommended Budget and all presentation materials can be viewed on the ***Budget Information*** page at **OakIslandNC.gov/BUDGET**, or by clicking the link below.

SAFETY BRIEF

Hurricane Conference Wrap Up

Last **Thursday, May 15**, the Town of Oak Island hosted its **2025 Hurricane Conference**.

As coordinators for this event, the Oak Island Police Department would like to extend a sincere ***Thank You*** to all of the attendees, participants, and vendors who helped to make our 2025 Hurricane Conference a huge success!

This conference provided residents and property owners an important opportunity to learn about how the Town works to ***prepare for, respond to, and recover from*** severe weather. Our ***Panel Discussion*** was a unique feature that brought particular interest among attendees, as it provided direct insights from those at the helm of an emergency response effort.

We would also like to thank Steve Pfaff of the National Weather Service for once again sharing his invaluable knowledge, which always proves so critical in our decision making.

If you missed this event, you will definitely want to make it an annual appointment in the future; but don't worry for this year, the full video is now available online as well!

To watch this year's Conference, just visit the ***Hurricane Information*** page at OakIslandNC.gov/HURRICANE or click the link below.

Badges, Boats, & Boots ***REPLAY***

While our original date was a rain out, we were excited to finally compete in our **Third Annual *Badges Boats, & Boots*** First Responder Softball Game this past **Sunday, May 18**.

A great crowd was on-hand in the Middleton Park Complex to help cheer on their favorite first responders. In the end, our Police and Fire Departments didn't come out with a win, bringing the series to 2-1, but everyone had a great time!

The real winner by far was the **Jack Helbig Memorial Foundation**, for which we raised **\$1,065** through combined t-shirts sales, a \$200 donation from the Oak Island Elks Lodge, and \$50 donation from Kona Ice.

This organization, whose mission is to prevent drownings through education and awareness, has been instrumental in helping to save lives not only in our community, but all throughout our region.

As always, we are grateful for such a supportive community, and for great organizations to rally behind. To learn more about the Jack Helbig Memorial Foundation, just visit their website at **jackhelbig.org** or click the link below.
