WELCOME to *THE CURRENT*, the weekly digital newsletter for the Town of Oak Island, NC.

"**Thanks**" and "**Giving**" - two distinct, yet equally powerful words. One expresses gratitude for blessings received, and the other describes how those blessings are provided. Separately, these two words seem at opposite ends of the spectrum; when they come together that magic truly happens!

Thanksgiving is not just a holiday celebrated with turkey and dressing, but an action we take to change our perspective. It is quite literally, when we give our most closely guarded emotion ... our gratitude. Whether it's a big family dinner or quiet walk on the sand, chances are it doesn't take much to find something worth of your gratitude .here in Oak Island.

Between a full schedule of Holiday events and the building of a new beach, there's plenty to be thankful for we have to cover. So tie on a napkin and grab your favorite ladle, because we're about to serve a heapin' helpin' of good news in this week's edition of **The CURRENT**.

***SAFETY
BRIEF***

Holiday Travel Safety

It's no secret, **Thanksgiving** is the ***busiest travel time of the year***, and 2025 looks to be no exception. According to **AAA**, a "***projected 81.8 million people will travel at least 50 miles from home over the Thanksgiving holiday period.***" That estimate includes 1.6 million more travelers than last year, setting a new overall record.

If you plan do any traveling on the roads this week, please heed these simple, important reminders:

- **Buckle Up. Every Trip. Every Time.**

- Even if you're off the highway and have made it safely to your destination, don't let a quick trip to the store for a forgotten ingredient turn into disaster for your family. Seatbelts save lives and can turn a tragedy into a holiday miracle.

- **"If You Feel Different, You Drive Different"**

- Whether it's from alcohol, recreational drugs, or even prescription medication, it's important to remember that anything which affects your motor skills and orientation even the slightest, can have major impacts to your reaction times and awareness when driving. Just like you ensure your own safety by buckling up, help ensure others on the roadway get to their holiday events safely by driving sober.

As you drive the roads through the week ahead, the North Carolina Department of Transportation is working to help make you aware of potential travel hazards and slow downs, through the **[DriveNC website](#)**. This helpful resource provides Important information to keep you safe as you travel across the state. To VIEW & SHARE the **DriveNC** site, visit **www.DriveNC.com** or click the link below.
