**Week of  
February 2, 2026**

---

**WELCOME** to ***THE CURRENT***, the weekly digital newsletter for the [Town of Oak Island](#).

This week certainly didn't start out with all the "warm, fuzzy feelings" you get in the month that hosts Valentine's Day! From **record-setting snowfall** to a very **uncooperative groundhog**, it seems the icy grip of Winter refuses to let go

- **NOTE: For the latest Storm Response Information, visit [OakIslandNC.gov/WX](http://OakIslandNC.gov/WX).**

***Don't lose hope just yet!*** Even though this week's cover photo may feature the Middleton Park Amphitheater all blanketed in snow, ***Summer is still coming*** ... and we've got the **Live Band Lineup** to prove it!

But before we start trading the snow sleds for surfboards just yet, there's still plenty of Town business and events to cover. So get cozy, as we skip the usual water metaphor (NO "diving into" today!) and simply read this week's edition of ***The CURRENT***.

# NEWS & NOTICES

## Storm Response Review

As briefly mentioned in this edition's intro, this past weekend Winter Storm Gianna brought the ***lowest temperatures*** and ***highest snowfall*** amounts the Cape Fear region has seen in **DECADES**.

Throughout the entire event, the ***Storm Response Information*** page has remained the **official source** of preparation and response information from the Town of Oak Island. So far, this event provided the page with more than a dozen updates, resulting in **FOUR** Emails / Text Alerts through the ***OKInformation*** system and ***thousands*** of page visits!

As noted on the page, for the week ahead:

- **Garbage & Recycling Collection** will resume the **normal schedule** on Tuesday, February 3
- **ALL Town Offices & Facilities** will have a **delayed opening** at **10:00 AM** on Tuesday (unless otherwise noted)
- The **Oak Island Pier** will be **open** on Tuesday from **10:00 AM - 5:00 PM**
- and the **Par 3 Golf** will remain **CLOSED** until further notice
- The Emergency Declaration signed by Mayor Chris Brown on Sunday, February 1 **remains active**, with no restrictions currently imposed, however the Declaration may be amended as necessary.

Additional page updates will continue to be posted throughout the week ahead, as lingering cold temperatures may create further travel and personal safety hazards.

In the meantime, **the Management & Staff of the Town of Oak Island extend a sincere *THANK YOU*** to everyone who followed Storm Response page, received the updates, and helped guide others to this single source by **SHARING** the link. By joining together, we help to eliminate the misinformation and confusion caused by so many voices speaking at once.

To continue viewing and sharing the latest updates on the ***Storm Response Information*** page, just visit **[OakIslandNC.gov/WX](https://OakIslandNC.gov/WX)** or click the link below.

## ***OKInsight Survey Now Open***

Last week we announced the return of the Town's ***OKInsight Community Survey***! Starting **NOW** through the end of the month, the "OKI + Insight" Survey is once again ***OPEN!***

Town of Oak Island Community Survey 2026

The largest and most comprehensive survey the Town hosts has returned to engage ***residents, property owners, and businesses***, providing input on a wide range of issues. The Survey looks at multiple areas, including quality of life in the Town and satisfaction with core Town services, as well as perceptions of safety and value.

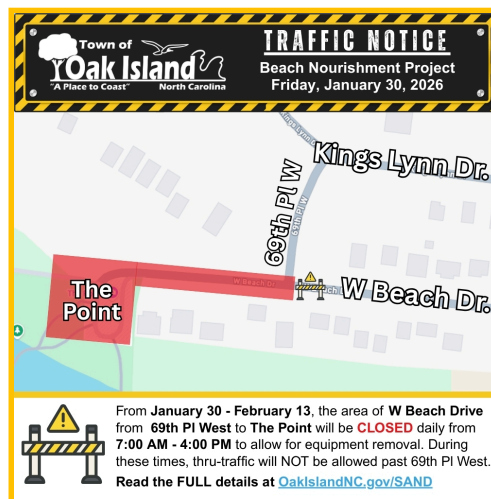

The Survey is open to ***EVERYONE*** and will be available from **February 2 - 28, 2026**. Results will help provide statistically valid insights that Town leaders can use to strategically plan for the future.

To **SHARE** and **PARTICIPATE** in the Survey, visit **[OakIslandNC.gov/SURVEY](https://OakIslandNC.gov/SURVEY)** or click the link below..

## Beach Nourishment: Demobilization

As of **NOON** this past **Saturday, January 31**, sand placement operations were **COMPLETED** for the **Off-Shore Oak Island** (OS-OKI) portion of the **2025 / 2026 Beach Nourishment Project**. To allow for the demobilization and removal of equipment, the area of **W Beach Drive** from 69th Pl West to The Point is now being **CLOSED daily** to all thru-traffic from 7:00 AM - 4:00 PM.

Sand placement for the **Wilmington Harbor** project being conducted by the US Army Corps of Engineers (USACE) is **still active**, and is currently near the area of **SE 69th Street**; expecting to be completed by the end of this week.

Although ALL sand placement operations could be completed this week, **it is more important than ever to keep the safety of everyone as a top priority!** Please follow all detours, road closures, and onsite traffic direction as these projects work to remove the many pieces of large equipment and heavy machinery which drove the project.

Their demobilization work will be reflected on the **Beach Nourishment Information** page. To **VIEW & SHARE** the page, visit **[OakIslandNC.gov/SAND](https://OakIslandNC.gov/SAND)** or click the link below.

# Outside Agency Funding Notice

A top priority for the Town of Oak Island is to ensure all **tax dollars are used** in the **best possible manner** for the benefit of our citizens. To help achieve this, **recent updates** have been made to the **qualifications and requirements** for specific programs to receive provided funds. These updates have replaced the previous funding methods for general nonprofit services and operations.

The purpose of this policy is to promote partnerships between the Town of Oak Island and non-profit agencies for the benefit of Oak Island residents, to equitably and efficiently allocate resources to strengthen agencies, and to provide sound and clear methods for decisions.

The updated **Outside Agency Funding Application** requires an Agency Mission Statement, Key Accomplishments, Goals, Objectives, and information on the specific program(s) for which the agency is requesting funds, and how it aligns with the **Town's Strategic Plan**.

**Applications** for Fiscal Year 2026 / 2027, which include the Funding Policy, are **now available**. and are **DUE BY** close of business on **Friday, March 13, 2026**. To download an application, visit the **Form Center** page at **OakIslandNC.gov/FORMS** or click the link below.

## Community Center Events Updates

The **Oak Island Community Center** has updated its **Events Calendar** for the month of February, as well as adding new photos from recent events held in January.

Located at **102 SE 47th Street** beside the Town Hall, the Center is open Monday - Thursday from **10:00 AM - 2:00 PM** and on **Fridays** for **Meals & Trips** (contact the Center for specific times). The Community Center is a congregate nutrition program and senior center where individuals 60 and over can come to enjoy a well-balanced hot nutritional meal.

Individuals from Oak Island and the surrounding towns can participate in the programs, and do not have to be a resident. Transportation is even provided for those who live on the island portion of Town. Individuals can also enjoy social/recreation(bingo, rummikub, etc.) activities while attending the site from 10:00 AM to 2:00 PM, with other special programs listed on the monthly calendar.

To learn more about the programs hosted and how to contact staff, just visit the Community Center page at **OakIslandNC.gov/CC** or click the Logo link below.

# SAFETY BRIEF

## Unscheduled "Civilian Training"

As mentioned earlier, Winter Storm Gianna this past weekend delivered a significant amount of cold ... and **snow!** During an event such a rare event, the **top priority** for the Town's **Public Safety Departments** is to ensure that people are protected and property is secured. Police Chief Charlie Morris and Fire Chief Lee Price, both personally rode patrols through the nighttime and early morning hours, to help monitor conditions and provide visual updates.

With that in mind, it's also important to remember that ***we are people too***; and with the exception of some of our firefighters who've had glorious mustaches since childhood, ***we were all kids at one time as well.***

That's why, we once again felt it was our duty to lend a hand to childhood memories made. On Sunday, we provided some unsolicited traffic control for important civilian exercises in "unscheduled, high-velocity, non-motorized declining egress" -- also known as some ***good ol' sleddin'!***

[DISCLAIMER: No sand dunes were harmed in the making of this photo]

It truly warmed the heart of our officers to see such wholesome fun, and to know that our level of trust and community partnership meant we were welcomed with smiles and appreciation at our arrival "on scene."

Similarly, as Chief Price and our Drone Pilot performed aerial surveys, it was difficult at times to keep from pausing and just simply taking in the beauty of this rare spectacle.

There's an old saying of "*this is why we can't have nice things*" ... but we tend to disagree. When residents, visitors, and first responders work together to have fun in a safe, respectful way, well, this is when "*we CAN have nice things*." And we've found not one thing nicer than this wonderful Town of Oak Island.

So **THANK YOU Oak Island** for showing your warmth on such a cold afternoon! To learn more about Police and Fire Departments, and all their divisions which make up Public Safety in Oak Island, visit the **Public Safety** page at **[OakIslandNC.gov/SAFETY](https://OakIslandNC.gov/SAFETY)** or click the link below.
